Dear Parents/Guardians,

As the area of Internet Safety is such a big concern in society at the moment, the Parents Council have organised an Internet Safety day with Zeeko next Monday 28th May at 7 p.m. Our children from 2nd – 6th class will have a workshop with trained facilitators. There will be a workshop for teachers after school.

There will also be a presentation for parents/guardians at 7pm in the school hall. **I urge all parents regardless of what class your child/children may be in to attend.** This is a great opportunity to get some useful, practical tips into the online challenges facing our children.

Kind regards,

Phil Ryan
